

NDU Mass Transit Benefit Policy

Eligibility

To be eligible for the MTBP you must be:

- (1) a civilian, military or NAF employee paid and employed by the department of defense, and
- (2) permanently stationed and working in the National Capital Region (NCR).

Application/Disenrollment

DoD civilian and military students attending the Eisenhower School during AY 2019-2020 are eligible for this program. Students must disenroll to complete out-processing. To apply for the transit benefit, go to the web-based application at: <https://mtbp.whs.mil>. This site requires a Common Access Card (CAC). You will use your Service or Agency Chair as your supervisor. Please follow up with them after submission to ensure they review application. This application is used to enroll, make changes to an existing MTBP record, and withdraw from the program. It is the responsibility of the individual and their Supervisor/RO to ensure they are properly withdrawn from the program at the end of the school year. Be sure to visit this website to disenroll when you leave the area.
